Politecnico di Milano University, Italy

Milano 2 December 2008

*In the cover of this book a visionary variation of Italian Garden by Celestino Soddu.*

*In the 2nd cover a drawing of Leonardo da Vinci about the allegory of shipping in the river.*

*In the DVD external cover “ad continuum” following G.B.Piranesi, generative variations of Babel Tower in 50 numbered variations, each one for each participants to GA2008 conference. Celestino Soddu 2008.*

*In the DVD face an anamorphic representation of “caravanserraglio”, a generated architecture.*

*All artworks are generated using the software Argenia created by Soddu, [www.soddu.it](http://www.soddu.it)*
